

Cleaning Sponge

PRODUCT FEATURES

HOUSE LINE

Brand description

Glim is a brand geared towards home products, its design line is oriented to offer practical and innovative solutions to fulfill the main objective of providing easy-to-use products.

Description:

Glim Cleaning sponge is a highly resistant and hygienic multipurpose cleaning sponge, non-abrasive, and due to its unique features, it can be used for cleaning surfaces and also for personal hygiene.

Innovative coating in mesh fabric guarantees longer durability and versatility, might be used with different detergents, making Glim Cleaning Sponge an excellent option to simplify house chores and saving money.

Material features and finishes.

Coating in mesh fabric, machine washable, handmade.

Overlock finishes: can be washed countless times without fraying, remaining intact.
